

Technology Enhancement Program (TEP) 2011/2012

The \$25,000 TEP fund is again available for all permanent contract teachers. Computer systems and digital cameras are eligible expenses (LCD projectors are not).

First time (including teachers who have not accessed the program in the last 4 years) applicants will again be given priority consideration.

Applicants may apply for a rebate of 50% of the purchase price, to a maximum of \$500.00. Final funding will depend upon the total number of claims received and the amount requested from the \$25,000 fund. (eg. if total funding requests from approved applications exceeds the \$25,000 available, all funding requests will be reduced).

Applications can be made online at www.district29.on.ca for purchases dated July 1, 2011 to April 30, 2012.
